Meet the Two Chicks!

We are Haley (Red Chick) and Jessie (Yellow Chick). Nevada Natives and Reno enthusiasts, we have been in the food and beverage industry since we first held employment! We even met by working at a restaurant together! Best friends and co-workers for over a decade, we are more like sisters than business partners. We have both held just about every food service position; I guess you could say the industry is in our blood. We first entered into owning our own food business with the GourMelt Grilled Cheese Truck in 2011. We had wonderful success, many awards, and great fun with the food truck but it was always our plan to move on to brick and mortar. Two Chicks, which opened in 2014, is our first full dining restaurant which serves breakfast and lunch. We are proud of our menus and our commitment to offer fresh ingredients, homemade dishes and elevated comfort food. All of our food is made with love and we hope you feel like family in our place. Please feel free to chat with one or both of us, we love hearing from our guests! We welcome you to Two Chicks and we hope you enjoy your experience with us!

Make sure to stop by our other restaurant, **GourMelt Grilled Cheese Shop** located at 101 University Terrace!
